- 3. The program TECHSOFT.EXE will be installed in the folder together with all files that are needed to run the program. Simply click on this file to run the program
- 4. The program is an evaluation copy limited by number of records and date expiry
- 5. Date Expiry is self renewing and does not require a new download. It re-sets itself automatically for another 30days
- 6. Both the Login name and Password is auto-set in the evaluation copy to "JD". In the full version you can define your own Users
- 7. Simply press enter on the default Login screen and use the HELP button top Right Hand corner of the screen.
- 8. In the HELP section you can print out the Manual a PDF file called TECHSOFT.PDF plus run other files which are Video Clips of "How To" do various functions in the program
- 9. To purchase the license to use TECHSOFT, you will need to email us your Company name. We will respond back with an activation key you can enter as illustrated on the next page

- end -

REGISTERING TECHSOFT

On exiting the Evaluation copy you will have the option to Register the licence as follows:

Confirm to accept the Licence Agreement as follows:
